

G 😊 T LUNCH! Laconia Announces

Year **EIGHT** of A Summer Healthy Lunch Program

G 😊 T LUNCH! Laconia is excited to announce year **Eight** of the summer *healthy lunch program* that is free to all Laconia school children. Our goal is to fill the gap for families that qualify for free or reduced price lunches during the school year, but it is NOT a requirement for participation. This program receives no government funds and is supported by grants, fundraising and gifts from the community. All program positions are volunteer; last year 230 community volunteers partnered with us toward our goal that no child in Laconia goes to bed hungry this summer.

Can Y 😊 U help?

Each Monday morning for the full 10-11 weeks of school summer vacation, we gather in the basement of the Congregational Church of Laconia to pack and deliver a week's worth of healthy lunch groceries. We estimate the cost *per* child to be \$120 for the summer. We are grateful for our partnerships with the NH Food Bank and our local grocers at VISTA & Hannaford which helps to keep the cost as low as possible. Please consider the following opportunities to provide Laconia's children with a healthy lunch.

Sponsor ____ # children for the summer @ \$120 per child Total donation \$_____

Donation of \$_____ (ANY size GIFT helps!)

There are two donation options:
